**Important events to be reported:** Acquisition of SYDERAL Polska

The management of AROBS Transilvania Software S.A. (hereinafter referred to as the “Company”) informs investors about the acquisition the majority stake, of 94%, in SYDERAL Polska, an entity from Gdansk, Poland, specialized in the development of products and technologies for quantum and optical communication, onboard data storage and processing, as well as for control of satellite mechanisms and instruments.

SYDERAL Polska was established in 2016 and has a team of 28 specialists in providing hardware and software solutions for the aerospace sector customers' needs. The company implements projects for the European Space Agency (ESA) and simultaneously conducts R&D projects funded by the National Center for Research and Development (NCBiR) in Poland. By acquiring SYDERAL Polska, AROBS enters a new market, Poland, and consolidates its business expertise in embedded systems, focusing on automotive, aerospace, medical and marine technology.

SYDERAL Polska will continue to be managed by Michal Drogosz, the current CEO, who will also remain a shareholder, with a 6% stake. At the financial level, AROBS will include SYDERAL Polska's results in the group's consolidated financial statements as of 2023. For 2022, SYDERAL Polska estimates a turnover of 1 million euros.
