**Important events to be reported:** Acquisition of Future WorkFore Global group

The management of AROBS Transilvania Software S.A. (hereinafter referred to as the “Company”) informs investors about the complete takeover of the Future WorkForce Global (FWF) group from Cluj-Napoca, specialized in providing complex business process automation solutions. In addition to Romania, where it has offices in Cluj-Napoca and Bucharest, the group has subsidiaries in London, UK, and Munich, Germany.

Future WorkForce Global Group has approximately 100 specialists in optimizing and automating business processes using innovative technologies and solutions, such as Robotic Process Automation, Artificial Intelligence, and Machine Learning, located in Romania, UK, and Germany. The company started its activity in 2017, and today it has partnerships with some of the most important technology companies in the world – UiPath, Microsoft, Celonis, and Outsystems. Its clients include companies from banking, insurance, retail, logistics, and many more. FWF has an excellent reputation in the local and international markets, with its team being recognized for the customized approach and innovative solutions it provides to clients. In 2022, the FWF group recorded a turnover of approximately 22 million lei.

The company's management will continue to be ensured by Mihai Balaj and Marius Bene as co-CEOs, Daniel Muresan as CTO, and Voicu Oprean as Chairman of the Board of Directors. AROBS will include the FWF financial results in the consolidated financial statements as of May 2023.

The acquisition of Future WorkForce is part of two of the four strategic directions assumed by the Company at the listing on the Bucharest Stock Exchange: the development of new areas of expertise for
