<u>Important events to be reported:</u> Market Maker Service Contracts with Raiffeisen Bank International and InterCapital Securities

The management of AROBS Transilvania Software S.A. (hereinafter referred to as the "Company") informs the market about the signing of two Market Maker service contracts with Raiffeisen Bank International and InterCapital Securities.

For the Market Maker services provided by Raiffeisen Bank International, the minimum volume corresponding to the firm buy and sell offers will amount to 70,000 financial instruments. The maximum spread between the buy and sell prices displayed by the participant will be 2.2%. Raiffeisen Bank International will provide Market Maker services during at least 75% of a trading session. More details regarding the specific parameters applicable to the Company's Market Maker activity performed by Raiffeisen Bank International are available <u>HERE</u>.

For the Market Maker services provided by InterCapital Securities, the minimum volume corresponding to the firm buy and sell offers will amount to 150,000 financial instruments. The maximum spread between the buy and sell prices displayed by the participant will be 2.2%. InterCapital Securities will provide Market Maker services during at least 90% of a trading session. More details regarding the specific parameters applicable to the Company's Market Maker activity performed by InterCapital Securities are available HERE.

In addition to Market Maker services, the Company will also benefit from research and coverage services provided by the two international intermediaries.

The partnerships with Raiffeisen Bank International and InterCapital Securities represent an important step in the Company's efforts to enhance its visibility among global institutional investors. By expanding its coverage with two new international intermediaries, the Company ensures that the group's activity is better represented and its stock become more accessible to diverse markets.
