General provisions

Every shareholder registered as of the Reference Date is entitled to appoint any other natural or legal person as attorney to attend and vote on his/her behalf at the EGMS, based on a special or general power of attorney.

A shareholder may appoint a single person to represent him/her at the EGMS. However, if the shareholder holds Company's shares in several securities accounts, this restriction will not prevent him/her to appoint a separate attorney for the shares held in each securities account in relation to the EGMS.

The attorney enjoys the same rights to speak and ask questions at the EGMS that the shareholder whom he/she represents would enjoy. To be appointed attorney, the respective person must have legal competence.

If a shareholder is represented by a credit institution providing custody services, it will be able to vote at the EGMS based on the voting instructions received by electronic communication means, without the shareholder having to give a special or general power of attorney in this respect. The custodian will vote at the EGMS exclusively according to and within the limit of the instructions received from its clients having the quality of shareholders as of the Reference Date.

In case that, at the EGMS, according to legal provisions, of items not included on the published agenda are discussed, the attorney may vote in relation to such topics according to the interest of the shareholder he/she represents. Failure to submit the general or special power of attorneys by the set data is sanctioned by losing the right to vote by attorney at the EGMS.

General power of attorney

The shareholder may grant a general power of attorney valid for a period of maximum 3 years, unless the parties expressly set a longer period, provided that the power of attorney is granted by the shareholder, as client, to an intermediary defined according to art. 2 para. (1) point 19 of Law no. 24/2017 or to a lawyer. The general power of attorney must contain at least the following information:

- (i) shareholder's name;
- (ii) attorney's name (person to whom power of attorney is granted);
- (iii) power of attorney's date, as well as its validity period; powers of attorney having a subsequent date will revoke the powers of attorney having a prior date;
- (iv) should state that the shareholder grants power of attorney to the attorney to attend and vote in his/her name, based on the general power of attorney, at the general shareholders meeting for the entire holding of the shareholder as of the Reference date, expressly specifying the Company or containing a generic wording regarding a certain category of issuers.

General powers of attorney failing to contain at least the information above will not be binding for the Company. The general power of attorney cannot be used if the attorney has a conflict of interest that may occur especially in the following cases:

- a) is a majority shareholder of the Company or another person controlled by the respective shareholder;
- b) is a member of an administrative, management or supervisory body within the Company, a majority shareholder or a controlled person, according to the provisions of letter a);
- c) is an employee or auditor of the Company or of a majority shareholder or a controlled entity, according to the provisions of letter a);
- d) is the spouse, relative or up to fourth degree in-laws inclusively of one of the natural persons specified under letters a)-c).

By the power of attorney, a shareholder may appoint one or more substitute attorneys securing his/her representation at the EGMS in case it is impossible for the empowered person to carry out his/her mandate. In case the power of attorney names several substitute attorneys, the order in which they will carry out the mandate will also be set.

The attorney may not be replaced by another person unless this right was expressly granted thereto by the shareholder in the power of attorney. If the attorney is a legal person, it may carry out the mandate received through any person who is part of its administration or management body or who is its employee. The powers of attorney, before their first use, are sent to the Company in copy, certified as true copy by the attorney, using the means specified at Section F below, so that the Company registers them at least 48 hours before the date of the first call of the EGMS, together with an affidavit, in original, issued by the legal representative of the intermediary or by the lawyer being granted power of attorney by means of the general power of attorney signed and, as the case may be, stamped, stating that:

- the power of attorney is granted by the respective shareholder, as client, to the intermediary or to the lawyer, as the case may be;
- the general power of attorney is signed by the shareholder, including by attaching an extended electronic signature, as the case may be.

The general power of attorney ends:

- by written revocation by the shareholder having granted it, sent to the Company the latest by the deadline for submitting powers of attorney valid for the EGMS, in Romanian or English language; or
- if the shareholder granting the power of attorney loses its quality of shareholder as of the Reference Date; or
- if the attorney loses the quality of intermediary or lawyer.
